Profile on another site(s): https://www.researchgate.net/profile/Tatyana_Kustitskaya

Current Position Associate Professor of Applied Mathematics and Computer Safety Department

Research Interests Data Analysis, Learning Analytics, Probability and Statistics, Risk theory

Education and Academic Degrees

- 2003 -- 2006 Institute of Computational Modelling SB RAS, Krasnoyarsk, Ph.D. in Mathematics
- 1998 -- 2003 Krasnoyarsk State Technical University, Specialist in Applied Mathematics

Professional Career

- 2007 -- Siberian Federal University, Associate Professor
- 2006 -- 2007 Siberian Federal University, Graduate Teaching Assistant
- 2005 -- 2006 Krasnoyarsk State Technical University, Graduate Teaching Assistant

Recent Publications

- 2019 — Esin, R.V., Kustitskaya T.A. IMPROVING THE EFFICIENCY OF TEACHING MATHEMATICS IN E-LEARNING COURSE USING TRAINING LECTURES //Informatika I obrazovaniye. – 2019. – №. 8. – pp. 32-39.
DOI: [10.32517/0234-0453-2019-34-8-32-39](https://doi.org/10.32517/0234-0453-2019-34-8-32-39)
Kustitskaya T.A. PREDICTING STUDENTS' SUCCESS IN LEARNING USING BAYESIAN NETWORK // Proc. Of III International scientific conference on informatization of education and e-learning methods../ M.V. Noskov (Edt) – Krasnoyarsk, SibFU, 2019, part 1 pp.. 257-262.
- 2018 -- Kustitskaya, T.A., Esin R.V. E-LECTURE DRILL FOR INTENSIFICATION OF EDUCATIONAL PROCESS // Proc. of II International conference on informatization of education and e-learning methods, M.V. Noskov (Edt) – Krasnoyarsk, SibFU, 2018 , part 2, pp. 158-162. <http://conf.sfu-kras.ru/981/proceedings>
Kustitskaya, T.A. CREDIT PORTFOLIO INVESTIGATION USING SAMPLING: OBSERVING representativeness //Proc. of the XVII Conference on FAMEMS and the III Workshop on Hilbert's sixth problem. Krasnoyarsk, SibFU, 81-86, 2018. <http://conf.sfu-kras.ru/1000/proceedings>

Conferences

- 2019 — III International Scientific Conference on Informatization of Education and E-learning Methods XVIII Conference on Financial and Actuarial Mathematics and Eventology of Multivariate Statistics (FAMEMS'2019)
- 2018 — II International Scientific Conference on Informatization of Education and E-learning Methods XVII Conference on Financial and Actuarial Mathematics and Eventology of Multivariate Statistics (FAMEMS'2018)

Other duties Secretary of SibFU Data Analysis Workshop
