Bachelor’s Degree Program

RUSSIAN PHILOLOGY IN EDUCATION AND NETWORK PRACTICES

The bachelor's degree program is aimed at graduates who are interested in Russian philology, i.e. its traditional and applied areas. The program prepares graduates for teaching Russian Language and Literature in secondary schools, for creating and editing texts (designing, moderating and editing websites, rewriting, copywriting) as well as for admission to the master's program.

Prerequisites:

- certificate in general secondary education
- exam certificates in Russian Language, Literature, Social Studies or foreign languages

Outcomes:

- teaching Russian Language and Literature in secondary schools
- management of educational programs (Russian Language and Literature)
- popularization of philology
- performing career guidance activities for high school students
- working with online sources: search for information; writing and editing texts; maintaining news and social network feeds; moderating website and social network forums
- developing research skills in Russian Philology

Program length: **4 years**
Starting date: **September, 1st**
Language of instruction: **Russian**
Tuition fee per year: **149,720 roubles**
Program Leader: **Galina A. Kopnina**
