Master's Degree Program

INTERCULTURAL COMMUNICATION AND TRANSLATION

The master's degree program "Intercultural Communication and Translation (SibFU) / International Communication (UCA)" is a double degree program with the University of Cádiz. The program is aimed at graduates who are interested in carrying out successful research and want to strengthen their skills in interlingual and intercultural communication. After completion of this program postgraduates will be able to continue their education and do a PhD course on Linguistics as well as perform successful professional activities.

Prerequisites:

- a bachelor's or a specialist's degree
- English language proficiency certificate (C1, The Common European Framework of Reference for Languages)

The University admission is based on entrance exams conducted by the University. The entry requirements can be found on SibFU's website: [http://www.sfu-kras.ru/en/education/admission](http://www.sfu-kras.ru/en/education/admission)

The admission is regulated by SibFU Postgraduate Admission Policies.

Skills/ objectives:

- ability to conduct research in foreign languages, intercultural communication and applied linguistics
- ability to have successful intercultural communication in various professional fields and carry out successful international projects
- ability to translate, interpret and provide language consulting services
